Data Loss & Backups

We will not accept under any circumstances the liability for the loss of customer data through general use, hacking or server failure.

However, **Liltoolz sp. z o.o.** will be responsible for ensuring minimum one regular daily backup of the subscription account data and the server itself.

Privacy

Liltoolz sp. z o.o. will at all times be committed to ensuring privacy of information. Our obligations and your rights regarding Privacy are fully documented in our Privacy Policy available on our web pages.

Any information submitted by the customer will only be used by us in the manner intended by the customer or by the terms of this agreement.

We will never distribute your information to third parties for the purpose of it, and all **Liltoolz sp. z o.o.** staff and partners are under extensive confidentiality and non-disclosure agreements.

While we make every effort to keep your information safe and secure, due to the very nature and environment of the Internet, we cannot ensure that all communications and personally identifiable information will never be disclosed.

Licensing and Subscription

Liltoolz sp. z o.o. distributes all Services under a commercial license agreement.

Demo and trial environments of **Liltoolz sp. z o.o.** products are archived one month after demo and trial period expires, unless otherwise agreed to with you. After that period if you would like to use the software legally, you must purchase a license for the product or sign up for a subscription account.

Licenses cannot be transferred to other parties, this applies to both general software licenses and upgrades.

Upgrade packages are only applicable to the company who purchased the subscription. Sharing, redistribution or simultaneous use of licenses is prohibited.

If Services are offered in period subscription model, the Service is renewed automatically after current plan period expires.

You can stop plan to be renewed. In this situation subscription will still be valid till end of current plan period.

You can also upgrade its subscription to another plan at any time. In this situation current subscription will terminate and new subscription with new period will be active. You will be charged for new subscription.

Any not used period from previous subscription period will not be refunded.
